- Linux, PRTG, Git
- HTML, CSS, JavaScript, Figma,
- ReactJS, NextJS, PayloadCMS, TailwindCSS

LANGUAGES

- Spanish (Native)
- English (Advanced - C1)
- German (Upper Intermediate - B2)

EXPERIENCE

FRONTEND WEB DEVELOPER

From 2022 to Present | ITELSO C.A.

Develop and maintain responsive and user-friendly web interfaces using modern frontend technologies. Collaborate with cross-functional teams to translate design mockups and user requirements into high-quality, efficient, and scalable web applications.

IMPLEMENTATION & SUPPORT ENGINEER

From 2021 to 2022 | SOUTEC LLC.

Responsible for the design, implementation, and ongoing support of complex routing and switching network projects for a diverse portfolio of clients across Venezuela, Colombia, Mexico, and the US. Collaborate with clients to gather requirements, provide expert consultation, and architect robust network solutions tailored to their business needs.

FRONTEND WEB DEVELOPER

From 2020 to 2021 | Freelance

Website Frontend design and development for clients in Venezuela and Germany. Technical writing (networking & programming topics) for clients in the US.

IMPLEMENTATION & SUPPORT ENGINEER

From 2018 to 2020 | SOUTEC LLC.

Provided comprehensive design, implementation, and support services for critical network security solutions for clients across Venezuela, Colombia, Mexico, and the US. Assessed client security postures, identified vulnerabilities, and engineered proactive defense mechanisms to protect sensitive data and systems.

CERTIFICATES & AWARDS

UCAB | Academic excellence - School of Telecommunications Engineering

Award for standing out as the best students of the Telecommunications Engineering School - UCAB. I was awarded 5 semesters in a row:
Oct. 2015 - Feb. 2016, Mar. 2016 - Jul. 2016, Oct. 2016 - Feb. 2017, Mar. 2017 - Jul. 2017, Sept. 2017 - Jan. 2018.

Cisco | Cisco Certified Network Associate Routing and Switching (CCNA Routing and Switching) | Credential: CSC013442335

Entry-level information technology (IT) certification issued by Cisco. Validates knowledge on fundamental networking concepts such as Network Protocols, IP Services, Network Automation, Network Access, etc.

Meta | Programming with JavaScript | Credential: 39LS6XWE52Q9

Certification issued by Meta. Validates knowledge on basic concepts of web development with JavaScript, such as functions, objects, arrays, variables, data types, the HTML DOM, unit testing, etc.

Meta | Version Control | Credential: W78ZLDZKXJ5A

Certification issued by Meta. Validates knowledge on different version control systems and how to create an effective software development workflow in order to collaborate with multiple developers across the world.
